

DATA PRIVACY STATEMENT

(ENGLISH)

Protection of personal data is a major concern. In this data privacy statement, you will get information on important data processing aspects in context of visiting our website.

Contact with us

In case you contact us by E-mail, your data will be retained in order to be able process your inquired items and to be prepared for in case of further questions. We do not transfer your contact data to third parties without your written consent. Your contact data are retained as long as required.

Web Analysis

Our website utilizes functions of Google Analytics web analytics services. Google Analytics is a web analytics service of Google Inc. Google Analytics uses so-called cookies, text files, which are recorded by your computer and enable us to run analysis on the usage-profile of a user on our website.

Information on website use produced by cookies (including user's shortened IP address) will be transferred to our server and saved for purpose of analytics and website optimization. Your IP address will become anonymized, so that the user of our website remains anonymous to us. Information produced by cookies will not be handed over to third parties. By variation of browser software settings use of cookies can be prevented. In such case only limited website features can be used eventually.

If you do not agree with data recording and processing of your visit on our website you can disable data recording and their use by a mouse-click at any time. In this case a so called Opt-Out Cookie will be filed, preventing Google Analytics from collecting any data about website use. However, in case of erasing all cookies, also the Opt-Out-cookie will be erased; in this case reactivation will be needed.

Links, disclaimer of warranty for links

We do not take over any warranty for our website's links, neither for correctness nor for content or devoid of aggressive and/or impairing contents such as computer viruses, Trojans, computer worms etc. In particular, we do not take warranty for contents of external websites, which can be accessed via hyperlink from our website; only the respective operator warrants for such content. Links on our website are permitted only if they are designed as external links which pop up in a separate browser window.

Embedding the main window in a frame of the composer of aforementioned link is not allowed. Please inform us, if a linked website contains illegal contents. We will then remove such link from our website.

Copyright

All content on this website is protected by copyright (©). Text and photos are subject to protection by copyright and other protection laws. Website content shall not be copied, distributed, changed or distributed to third parties.

Each use, in particular filing in data bases, copying, distribution, handling as well as each form of commercial use and submission to third parties, even in parts or in modified form, is prohibited without author's approval.
